

## *Smile Savings Plan*

---

At Danville Family Dentistry, you can expect care that makes you feel right at home. Let the Danville Family Dentistry Smile Savings Plan keep you in the best of dental health.

---

Are you interested in finding a way to maintain your dental health and your family's dental care without the use of dental insurance? At Danville Family Dentistry we are happy to now offer our Smile Savings Plan for members of our patient family that qualify.

With the Danville Family Dentistry Smile Savings Plan, you simply pay an annual fee in lieu of dental insurance and by doing so you are able to receive a set amount of dental services for one year.

## *What's Included in Your Plan?*

- Two professional cleanings
- Two professional oral evaluations
- Routinely Scheduled Radiographs
- 15% off any other dental care provided in our office.
